

03 Sept 2021 Data Analytics

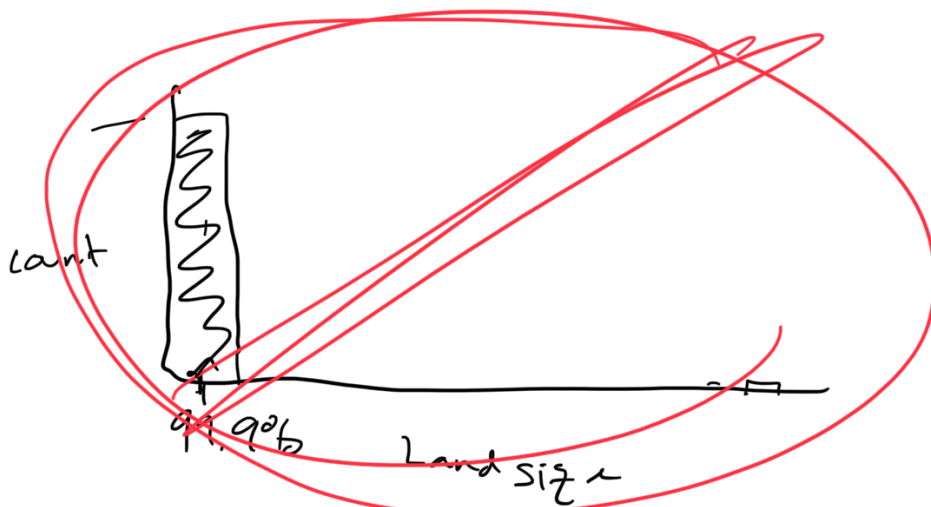

Last time: Finished foundational knowledge of notebooks, pandas, numpy, matplotlib. There is always more to learn so lean on documentation!

Tuesday: HW1 is due.

Today: Linear Algebra basics

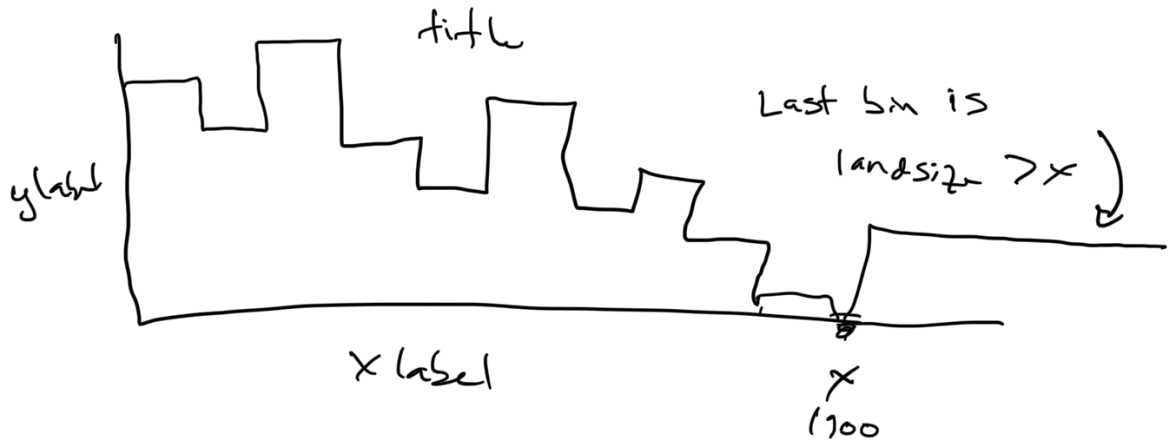

Monday: No Class

Wednesday: Probability & Set Theory

Zoom In on area of interest

$\text{bin_edges} = [100, 200, \dots, \underline{1900},$
 $\underline{\text{max}(\text{landsize})}]$
